

Focus On Missions

Joshua & Ruth Barron serve with CMF's Church Catalyst Team in Kenya, working in partnership with CMF-planted churches begun among the Maasai and Turkana people. They help these churches develop and implement culturally appropriate curricula in the local languages, and also train Kenyans in how to do this themselves.

The Barrons are also heavily involved in work with the Community Christian Bible Training Institute and the Discipleship Training Institute, curriculum development for the Community Christian churches of Kenya, teaching in the fields of discipleship and leadership development, Sunday school teacher training, and classes for Turkana and Maasai elders and pastors. They serve as mentors for church leaders and young couples and lead a discipleship

group that meets in their home. They also assist The Bible Society of Kenya with the correction of the Maa Bible translation.

They are the parents of six children: Alitzah (2003), Hannah Gail (2005), Eliana (2007), Zerachiah (2010), Ahaviah (2012), and Shalviah (2015). Fairmount is pleased to be hosting the Barron family this summer for a three-month furlough.

Thank You!

By Chris Santasiere

After our latest adult Mountain Mission School work trip, **Guy Cumby** called me to share that he was stepping aside from leading future work trips to Mountain Mission School. Guy subsequently sent out an email saying, "After running thirty-one memorable Mountain Mission School trips, I have concluded that it is time for me to step aside. I have many fond memories and as that begins to slip, I've got photos!"

Words cannot express my gratitude to Guy for the way that he has deepened our partnership with Mountain Mission School. He has led more mission trips than anyone else ever in the history of our church.

Thank you for a job well done!

An Update from Rob & Lori McGhee Serving with OMS in Haiti

Hello FCC Family,

We have spent six months in Haiti working and training with One Mission Society (OMS) in Cap-Haitian, Haiti. OMS's ministries include Bethesda Medical Center, Cowman International School, Emmaus Biblical Seminary (EBS), Starfish Kids, and Radio 4VEH. After much prayer, God has led us to focus on just one full-time - EBS.

We look forward to FCC's next visit to Haiti and thank you for your continued prayers and support as we share the Gospel of Jesus Christ in Haiti. We also look forward to spending time with you during ICOM this fall in Cincinnati, OH.

Have a blessed summer.

Rob & Lori McGhee

Emmaus Biblical Seminary is pleased to announce that OMS Missionaries, Rob & Lori McGhee, have partnered with OMS & EBS to work full time in Haiti. Rob's role is Director of Information Technology (IT). Lori is filling two roles at EBS: Business Office Manager and Hospitality Coordinator.

This is a huge answer to prayer for the EBS family. Please join us in praying for God to continue to lead the McGhee's as they serve in Haiti.
