

# Focus On Missions

## Good News Productions International

**Accelerating global evangelism through media and technology**

GNPI produces culturally relevant, Biblically based content in digital, video, and print format to accelerate global evangelism. GNPI helps people access the Gospel in their native language in a way they can understand.

This year, GNPI has been hosting several Vision Night events across the country. On September 12, GNPI will be hosting such an event at

Fairmount Christian Church. The purpose is to invite friends and partners of GNPI to come and hear what God is doing around the world as He expands His kingdom. GNPI will share how it is strategically involved in global evangelism through media. The 45-minute program will highlight special reports from Mexico, China, and Indonesia and there will be an opportunity to give financially.

## Farewell Bobby and Melissa Carter

On Monday, August 27, Bobby and Melissa Carter moved from Mechanicsville to North Carolina. Bobby and Melissa have been wonderful servants at Fairmount for many years. They both have been heavily involved in the IMPACT Ministry. Melissa has served as our representative for the Pregnancy Resource Center and as our representative for Rob and Lori McGhee's ministry in Haiti. Bobby just completed a three-year term as the leader of the IMPACT Jerusalem team. Under Bobby's leadership, the ministry of the IMPACT Jerusalem team greatly expanded. Bobby took to heart the vision of Fairmount to be "Community Focused". We are appreciative of Bobby and Melissa's work. They will be missed! We wish them all the best in their new endeavors.

## An Update from Rob & Lori McGhee Serving with OMS in Haiti

Hello "Y'all" at FCC! Rob & I miss you & lift you up in our daily prayers. We ask that you also cover us in prayer. We are excited to be at Emmaus Biblical Seminary - working to develop Christ-like leaders for the transformation of Haiti, the Caribbean, and the world. For more information about Emmaus, visit <https://emmaus.edu.ht/>. This week we started our first week of school. We have a little

under 200 students for Fall Semester. We also have teams helping with our building project. Rob is busy helping staff and students set up IT accounts to work online. He is also working on improving the IT network for the college. I'm working with teams and helping the finance office get ready for next year's audit. Both of us are working hard to learn to speak Creole. In three months we will return to Virginia to attend this year's ICOM conference with FCC and then enjoy some family time over Thanksgiving. We will be at FCC on Sunday, November 18th, so mark your calendars. We hope to see & hug you all soon! Thank you for your continuing support and prayers. *Lori & Rob*
