New Sermon Series 20/20 Vision

In 2006, Fairmount's Elder team and staff entered into an exciting process of articulating the mission that God had for our church. That mission – “Developing followers of Jesus who love God, love people, and introduce the world to Christ” – has become ingrained in the fabric of who we

are as a congregation ever since. As part of that mission, four vision areas were also enumerated that underlie every decision we make as a church. We are accomplishing our mission by being a church that is Bible-Centered, Committed to Growth, Community-Focused and Globally-Minded, and Dedicated to Excellence.

In January, as we embark on 2020, we will focus on these four areas as we continue to develop or maintain “2020 Vision”. For years, “perfect” eyesight has been referred to as 20/20 vision. As we move into the year 2020, what a perfect time to talk about vision and what makes Fairmount a place where God is moving and working mightily. These are exciting times, and 2020 stands to be another momentous year for Fairmount. Be here each Sunday in January as we delve Biblically into what it means to be the church God wants us to be – and then put the truths of a Godly mission into practice.
